

# UK NGO CSW Alliance

**Join us on Thursday 16 October at Friends House, London  
for a CSW Alliance Meeting, 2pm-5pm**

***Come yourselves and bring others!***

This meeting is about Beijing+20 - next year's CSW (March 9 -19, 2015).

It matters to everyone.

How far have women advanced since 1995?

Under the Beijing Platform for Action (CEDAW too), what does any  
UK Government need to do to meet its responsibilities to women  
and girls in the UK? to women and girls everywhere?
