Olasimbo Sojinrin, Country Manager, Solar Sister Nigeria - "Eradicating energy poverty by empowering women with economic opportunity"

The **Ethical Business Building the Future** has worked tirelessly since its inception to share positive and innovative work practices for those interested in promoting an ethical work place.

Tuesday 13 March
1.00- 2.30
Fedcap Rehabilitation Services Inc
210 East 43rd Street

This interactive event seeks to share how important this working modality is for rural women and girls. Experts and entrepreneurs from around the world, will share their experiences of how social enterprise has assisted them in creating a better life for their families and communities.

The expert panel, including young women, will enable best practice to be shared and provide suggestions for positive action to be disseminated.
