THROUGH HER EYES: #GirlsAreUnsafe

Friday 16 March, 3:30 – 5:00

**Westin Grand Central Hotel/Embassy room
212 E 42nd Street, New York, NY 10017**

Across the world, violence against women and girls remains one of the most tolerated human rights violations. Girls are uniquely vulnerable.

Through WAGGGS' **#GirlsAreUnsafe** campaign girls around the world drew and shared the places where they felt most unsafe. Their voices were amplified by the results from our global U-Report poll on violence. The hundreds of drawings and data received are a stark reminder of a daily reality for girls across the world.

**IT STARTS YOUNG. IT'S PERVERSIVE.
IT HAPPENS EVERYWHERE IN EPIDEMIC PROPORTIONS.**

Join us to hear the findings of the **#GirlsAreUnsafe** campaign, and hear from experts on policies, programmes and strategies to tackle violence against girls.
