

AMPLIFYING THE VOICES OF WOMEN & GIRLS SINCE 1989

NATIONAL ALLIANCE OF WOMEN'S ORGANISATIONS

WHO WE ARE

An effective alliance of over **100 activists and organisations** campaigning on domestic and international policy across the UK

Amplifying voices of **women of all ages** including young women at an international level through the **United Nations platforms**

A **safe platform** to be heard and heeded enabling all women/girls to become **changemakers**

Mobilizing women/girls to influence **European gender policy**

OUR KEY OBJECTIVES

Promote SDG 5 on human rights for women/girls

Influencing government policy to ensure gender mainstreaming

DEVELOP UK ROBUST MECHANISMS TO FIGHT FOR RIGHTS THAT INCLUDE NEEDS AND CONCERNS OF ALL WOMEN/GIRLS

Working nationally and internationally with the UK's Government Equalities Office and other departments

Educating women/girls in their human rights

Targeting COVID-19 challenges and working on post-covid recovery

Our members work on:

- Health and social care
- Economics
- Gender Based Violence
- Homelessness
- Poverty
- Human Rights

HOW WE ACHIEVE OUR AIMS

Promoting **safe spaces and platforms** for women's voices on and off-line

Hosting the **UK Civil Society Women's Alliance** as well as the UK voice at the **Commission on the Status of Women and at the UN**

Empowering grassroots and marginalised women to find their voices

Deepening links with the **UN** by **holding governments to account** with updates, reminders, **calls to action**

An alliance of individuals, organisations and institutions working to make gender equality a reality.
