

Mirror to the face of poverty

**UK Civil Society
Women's Alliance**

14 Mar 2024
4.30 - 6.00pm

CCUN 11th Floor

Why is the face of poverty the most disadvantaged women - and what can be done to prevent female poverty. This interactive in person seminar will provide alternative perspectives on the different faces of female poverty with examples of best practice and solutions. Looking at older women, widows, displaced and migrating women... Exploring decent work and pay, affordable and sustainable care support, social protection payments, shared parental leave, desegregated data systems, community support systems...

Chair - Baroness Hodgson
Alyssa Ahrabare, legal expert, Advocacy and Legal Lead of the European Network of Migrant Women, Vice-President of the French Coordination for the European Women's Lobby
Dr. Atieno Mboya - BIC
Alice Garrick - Anglican Communion - Pakistan
Carole Agengo - HelpAge International, Co-Chair Summit of the Future CS Summit
