# USING TECHNOLOGY TO ACCELERATE EQUALITY AND PREVENT POVERTY

15 March 2024

**FEDCAP**  
**210 E43 St**

**10-11.30am**

**All Welcome**

This interactive panel event will explore how innovation and technology can be used creatively to assist in the lives of women and girls to prevent poverty. Experts and activists from around the globe will share best practice. There will be time for discussions amongst participants in order to make the most of the expertise in the room and a section to glean top key actions for learning and sharing.
